

THE FIRST SESSION OF THE WORKING GROUP VIII
ON THE INFLUENCE OF ENVIRONMENTAL CHANGES
ON CLIMATE

10 - 21 June 1974
Leningrad

<u>Country</u>	<u>Institution</u>	<u>Suggested Participants</u>
USSR	Institute of Geography, Moscow	M.I. Neustadt, N.S. Chebotareva, M.G. Grossvald, V.P. Gruchuk, A.A. Velichko, N.A. Khotinsky
USSR	Institute of Geology, Moscow	K.N. Nikiforova, N.V. Kind, R.E. Gicerman, E. Koronova, M.A. Pavzner
USSR	All-Union Geological Institute (VSEGEI) Leningrad	I.I. Krasnov
USSR	Institute of Geology, Novosibirsk	V.N. Saks
USSR	Institute of Geology, Murmansk	S.A. Strelkov
US	Lamont-Doherty Geologi- cal Observatory, New-York	W.S. Broecker, H. Opdyke

DOC Exemption Letter In ERU File

Environmental Changes on Climate

Suggested

-12-

US	University of Wisconsin	J.Kutzbach
US	Brown University, Providence, Rhode Island	T.Webb, J.Imbrie
US	University of Minnesota	H.Wright
US	Yale University, New Haven, Connecticut	M.Davis
US	US Geological Survey	D.Adam, E.Leopold
US	University of Maine	G.Denton
US	Ohio State University	T.Hughes
na	University of Washington	S.Porter

-24-

A) Meeting of Experts on Atmospheric Optics and Aerosols

Prof. R. I. Charlson (co-chairman)	University of Washington
Prof. K. T. Whitby	University of Minnesota
Dr. R. F. Pueschel	NOAA, Boulder, Colorado
Prof. G. V. Rosenberg (co-chairman)	IEA, Moscow
Prof. Bula	Karpov Institute of Physical Chemistry, Moscow
Dr. L. S. Ivlev	State University of Leningrad

A few other scientists of equally outstanding ability could be added or exchanged with scientists on this list. Prof. Charlson and Prof. Rosenberg should organize this meeting. It might be held in connection with the IUGG meeting in Grenoble France in August 1975.
